When seen at midnight, Chairman Camoau, of the Democratic committee, said: "Mr. McKipley has carried the State. The returns, however, are so meager that I cannot make any statement as to the State, congressional or legislative tickets." Chairmar Diekma, of the State Republican committee, was one of a jolly party enjoying the Republican victory in Senator McMillan's office when he was seen at midnight "The State has gone Republican from 75,000 to 100,000," said he. "The Republicans have elected their Stare ticket, all their congressmen, and have an overwhelming majority in the State Legislature. behind his ticket."

CONCORD, N. H., Nov. 6 .- Secretary Thomas H. Madigan, jr., of the Democratic state committee, concedes that the Republicans have carried the State by a plurality of 15,000. He places the plurality of that LIVE STOCK QUOTATIONS party in the Second congressional district at 8,000. He also claims that the indications point to a Democratic gain in the representatives to the General Court. Senator Gallinger, chairman of the Re-

ublican state committee, claims a plurality in the State for his party of from 18,000 to 20,000. He is of opinion that the Republicans have generally been successful in New Hampshire by large pluralities. One hundred and nineteen towns and wards in New Hampshire give McKinley 20,019, Bryan 11,694. The same towns and wards in 1896 gave McKinley 21,630, Bryan 6,327. The same towns and wards give for Gov-ernor: Jordan, Republican, 19,384; Potter, Democrat, 11,478.

MINNESOTA 60,000.

Republican Victory in the State Greater Than Expected.

ST. PAUL, Minn., Nov. 6 .- At midnight the result of the election in Minnesota was settled, so far as the presidential vote is concerned, but the figures on the head of the State ticket are still too meager to make any final statement possible. Mcthe State by over 60,000 plurality, some estimates and claims going far beyond that figure. The incomplete reports thus far received up to midnight seem to indicate that Van Sant, Republican, may have carried the State by a small figure, but the Democrats are claiming the election of Lind, fusion, by over 25,000 plurality, while the Republican managers will give no figures, although not admitting the election of Lind. No figures have yet been received on the Legislature. The rest of the Republican State ticket seems to have been elected.

GOOD-BYE PETTIGREW.

The Vituperative Senator Will Soon Retire to Private Life.

SIOUX FALLS, S. D., Nov. 6.-McKinley in twenty-one out of forty-two precincts in this (Minnehaha) county, including the cities of Sioux Falls, Dell Rapids, Valley Springs and Garretson, has a majority of 764 over Bryan, a pronounced Republican gain. This is Senator Pettigrew's home county, and as the Republican legislative ticket is running well up with the head of the ticket he will lose seven members of the Legislature here.
